James Flaten flate001@umn.edu (MN Space Grant & organizer)

Gary Stroick president@offwegorocketry.com (Tripoli MN & technical adviser)

Q1. (Follow-up to “Q2” from previous document.) Can we use an XBee Pro device (for the Bonus Challenge) which has a stated range of more than 1 mile, as long as we don’t exceed the 63mW max transmit power limitation?

A1. Yes.
