**Concordia College, Moorhead**  
*Thelma Berquo, Physics Department*

**Fond du Lac Tribal and Community College, Cloquet**  
*Carl Sack, Geographic Information Systems*

**Leech Lake Tribal College, Cass Lake**  
*Kelly Nipp, Math, Science, and Technology Department*

**Macalester College, St. Paul**  
*Tonnis ter Veldhuis, Physics Department*

**St. Catherine University, St. Paul**  
*Erick Agrimson, Physics Department*

**University of Minnesota, Duluth**  
*Alec Habig, Physics Department*

**University of Minnesota, Minneapolis**  
*Demoz Gebre-Egziabher and James Flaten*  
*Aerospace Engineering and Mechanics Department*

**University of St. Thomas, St. Paul**  
*David Forliti, Mechanical Engineering Department*

**MN Department of Transportation (MNDOT)**  
**Office of Aeronautics, St. Paul**  
*Darlene Dahlseide, Aviation Education Section*

A \$400 registration fee for each team is due by January 31, 2023. Submit it to the following website, run by the National Space Grant Foundation (NSGF). (If this doesn't work as a clickable link, just paste the text into a browser manually.)  
<https://spacegrant.org/payments/>

On the form for "Item" select "Other – Please Specify" then type "Space Grant Midwest High-Power Rocketry Competition" in the text box that appears. Put that same text in the "Memo A" box, so that it also appears explicitly on your payment receipt.

Also include your school name and state (required) and your team name (optional, unless your school is fielding more than one team, in which case that is required too) in one or both text boxes, so the records are unambiguous about which team the payment covers.

Send any questions/issues about payment to Shirley Campbell <[campbell@spacegrant.org](mailto:campbell@spacegrant.org)> (and please copy James Flaten <[flate001@umn.edu](mailto:flate001@umn.edu)>).

Sincerely yours,

James Flaten, Ph.D.  
Assoc. Dir. of NASA's MN Space Grant  
Aerospace Engineering & Mechanics Dept.
