

UNIVERSITY OF MINNESOTA

OUTSTANDING ACHIEVEMENT AWARD

Kaushik Bhattacharya

Distinguished graduate of the University of Minnesota

Howell N. Tyson, Sr., Professor of Mechanics and Materials Science
and vice provost for research, California Institute of Technology

Visionary researcher, who revolutionized the study of phase transformations,
the shape-memory effect, and the behavior of functional materials

Outstanding leader, who has elevated all engineering sciences by writing the
standard textbook in his field, editing its preeminent journal, and serving as
vice provost of a world-class technological institute

Dedicated mentor, who has guided his many students and postdoctoral fellows to
positions of prominence in academia and industry, and at national laboratories

The Regents of the University of
Minnesota, as an expression of
high esteem, and in recognition
of noted professional attainment,
confer upon Kaushik Bhattacharya
this Outstanding Achievement Award
on October 19, 2018.
